Summer Camp - Week 5

This week...

Students went on field trips to the Dallas Zoo and Rowlett Wet Zone, and had lots of fun on their Field day. We had a great time with your students as they enjoyed their last week of Summer Camp and we can't wait to do it all again next year. Your students have taught us many lessons about ourselves and pushed us to become better people and for that, we are forever grateful.

This week we also had our Awards Ceremony and Performances, where students showed us what they've been learning in their classes and received awards by their teachers based on participation and growth. Even though this is the end of summer camp for 2023, our love and appreciation for your students will never end and we will continue to serve them in VBS, which you can sign up for on the church's website.

We also would like to give a special shoutout to all the EEBC staff who made summer camp possible this year and all the parents who supported us, God bless you all!

See you next year
