Summer Camp - Week 1

Thank you parents for trusting us with your wonderful children. We had a great start to our summer camp, thanks to the amazing teachers, staff, and parents that all worked together to help our program run smoothly.

Students learned about the importance of Trustworthiness in Bible Class this week and even memorized Proverbs 3:5, which says, "Trust in the Lord with all your heart and lean not on your own understanding". We want the children to know the value of trusting God even in difficult circumstances because He will never fail us.

In Math and English, students took pre-assessments and got a head start on topics such as summarizing, analyzing and writing essays, geometry, and cross multiplication.

We look forward to the next four weeks that we will share with your students and we are constantly praying that we might be a positive influence in their lives.

Thanks again for all your support
