Summer Camp- Week 3

This week...

Students learned the importance of responsibility in their Bible classes. They also memorized Luke 16:10 which says "If you are faithful in little things, you will be faithful in large ones. But if you are dishonest in little things, you won't be honest with greater responsibilities." We really want your students to understand the responsibility that comes with being a Christian by teaching it in Bible class and also living it out ourselves in order to be good examples for them.

In Math and English, students learned topics like multiplication, how to use exponents, and analyzing literature. Next Thursday we are looking forward to Habesha History Day when students will dress up in their Habesha clothes and learn topics related to their culture.

Students of the Week:

Beab Beyene (2nd-4th)

Biniam Kebede (5th-7th)

8th-9th Meklit Endale
