

WEEK 4 NEWSLETTER

By: Deborah Makonnen and Bemnet Bizuayehu

Hello parents, we have successfully completed our fourth week of summer camp. As you know, our program is slowly coming to an end, so over the past week, our students have been working hard to finalize their performances and presentations for the annual end-of-year awards ceremony.

Students also celebrated Habesha History (on Thursday) and they learned much about our culture.

To add, they engaged in a friendly competition, where they dressed up in traditional clothing and brought cultural items for show-and-tell to see who had the best item.
